A Message from Your Concession Volunteer Coordinator—UW Events...

Effective today, Oregon Band Boosters is no longer providing volunteers for concessions at UW Volleyball games. This decision was made by the OBB Executive Committee. The remainder of the volleyball season will be filled by another service group. Oregon Band Boosters will continue their strong showing at UW Football games and UW Men's Hockey games.

The 2011 summer music fees will be higher due to the Calgary trip so it is important to sign up to volunteer at UW events and chip away at your invoice.

Meet parents and students. Learn a lot about the Oregon program. Earn money. Have fun!!
